WEDDING POLICY & FEES - Members

Revised 10/01/18

Basic Policies:

1. All arrangements are to be coordinated with the Pastor. At the time the date is set the required pre-marriage sessions will be scheduled.
2. The staff organist will play for all weddings in the church. At times, there may be exceptions to this practice, but the staff organist should always be consulted before an outside organist is engaged. Consultation between the organist and the couple is a necessity so that all parties will be in agreement with the music chosen (also to be approved by the pastor) and be within the ability of the musicians at hand to play and sing with assurance. The use of taped music is discouraged.
3. Good Shepherd is a SMOKE FREE and ALCOHOL FREE building.
4. The fees listed below should be paid at the time of the wedding rehearsal, or before.
5. Birdseed, confetti, rice or other similar material will not be used on the church property.
6. A wedding is a service of worship. All effort will be made to respect the sanctity of marriage and the importance of this moment in the life of a couple and their families.
