

Gathered in Christ to Give, Serve, Lead and Connect.

Dear ,

The Picture Directory Committee is reaching out to all known individuals with a connection to Good Shepherd Lutheran Church to let you know a new photo directory is being created this summer. Besides providing information to register to take your or your family's image, this is also a great time to update the church roster and make changes in contact information for the office.

Good Shepherd Photo Dates:

Tuesday, May 27th 1-8pm

Wednesday, May 28th 1-8pm

Thursday, May 29th 1-8pm

Friday, May 30th 11am-6pm

Harmann Studios welcomes you being unique in your photo session by including pets, props, or personality clothing! Afterwards, at the church, you will view all portraits and select the image you like best to ensure satisfaction. If you do not select a portrait, your name and contact information can be included in the Directory Roster from the Session Card.

CHURCH HOME

Directory listings are a great way to put a name to a familiar face. This can also be a time of reflection and action, joining the active Good Shepherd members within this caring church. If you have been inactive, indicated being a potential member, or a friend of Good Shepherd, you will find the Membership Form to make Good Shepherd your active church home. Thank you for your participation and giving within Good Shepherd.

UPDATES

Life can bring relocation, a change to your church of worship, becoming homebound, or something that affects your ability to participate at Good Shepherd. In an effort to keep our records accurate, please contact the office if you've had such a change.

These photography dates are quickly approaching! Register soon to ensure the date and time that works best for you or your family. Keep in mind that rescheduling may be challenging!
